

Your ATAR is calculated from your university aggregate.  
You need 90 subject credits to calculate an aggregate.

Recognised  
Studies\*\*

The ATAR is a rank that tertiary Institutions use to select students for their courses. To get an ATAR from your university aggregate, SATAC looks at where your aggregate sits compared to other students.

The university aggregate calculation is subject to counting restrictions and precluded combinations.

**Note!**

\* One or more may be used

\*\* Maximum 20 credits of Recognised Studies can be counted
